Experience

PedalStart

Gurgaon

Front End Development Trainee

08/2023 - Present

- Spearheaded front-end development projects as a trainee at a dynamic startup, demonstrating proficiency in HTML, CSS, and JavaScript to create visually appealing and responsive user interfaces.
- Collaborated closely with cross-functional teams to understand project requirements, contributing innovative ideas and implementing design concepts that enhanced the overall user experience.
- Successfully tackled challenges in optimizing website performance, employing best practices in coding and leveraging frameworks like React to create efficient and seamless web applications.
- Played a pivotal role in the implementation of responsive design principles, ensuring seamless user experiences across various devices and screen sizes.
- Demonstrated a commitment to continuous learning by staying abreast of the latest industry trends and technologies, actively participating in team knowledge-sharing sessions, and adapting quickly to emerging tools and frameworks.

Universal Business School

Remote

Operation Associate

12/2021 - 08/2022

- Advised students on academic planning, helping them navigate degree requirements, course selections, and creating personalized academic plans aligned with their career goals.
- Facilitated one-on-one counseling sessions to address academic challenges, providing guidance on study habits, time management, and effective learning strategies to enhance student performance.
- Collaborated with faculty and administration to identify and support students experiencing academic difficulties, implementing tailored interventions and recommending appropriate resources.
- Organized and conducted workshops on study skills, time management, and stress reduction, fostering a positive and conducive academic environment for student success.
- Maintained accurate and confidential student records, ensuring compliance with academic policies and procedures, and played a key role in the development and improvement of academic counseling programs.

Projects

PedalInvest
